**... wedi®**

# What if a seamless combination of design, function and safety exists ...

## wedi Top Line. Aesthetics, functionality and safety – combined seamlessly.

The bathroom is more than just a functional space – it is an expression of your individuality and influences your well-being every day - therefore, it is all the more important to **create a harmonious interplay of design, comfort and functionality**.

### Modern design meets functionality

In a room that must be highly functional and safe at the same time, the wedi Top Line sets new standards in design and comfort. In combination with wedi system components, our large-format, seamless design surfaces offer you **endless design options** with **long-lasting safety** and **guaranteed water resistance**.

#### The benefits are obvious:

- Seamless, aesthetic design for a modern look
- A wide range of colours and textures for individual design
- Waterproof, durable materials for long-lasting quality and safety
- A multitude of different combination options for a personalized interior design

# Effortless.

## wedi Sanwell® Top. Low-maintenance surface for spacious storage areas.

There can never be enough storage space in the bathroom. If the **storage also adds colour and/or light**, the bathroom is perfect. wedi Sanwell niches fulfill these requirements. They offer plenty of room for shampoo and shower gel without compromising on the floor space. Subtly positioned above the bathtub, they can also be used for your personal decoration ideas. Where do you need low-maintenance storage surfaces? Simply select the desired format of your wedi Sanwell niche and combine it with the matching Top surface in the desired colour with or without LED light.

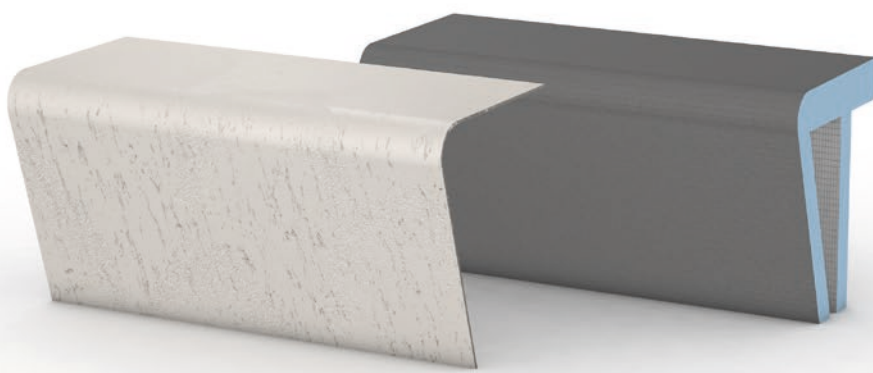

Available colours

# Warm to touch.

## wedi Sanoasa® Top. Seamless bench surface for comfortable showering.

Just sit down, let the water splash down on you and relax. With the unique combination of the wedi Sanoasa bench with rounded seat and the matching Top surface in your desired colour, you can easily **set up your personal comfort zone**. Admittedly, it may be difficult for you to leave.

# Hygienic.

## wedi I-Board® Top. Antibacterial design surface for wall-hung toilet cistern cladding.

Especially in hygienically demanding areas, grout lines cannot be kept optimally clean. „Low-maintenance“ has a completely different significance in such areas of bathrooms and washrooms. Therefore, in the wedi range, you will also find a suitable, seamless wedi Top surface for the wedi I-Board and I-Board Plus wall-hung toilet cistern claddings.
